

THE KANGA BUSINESS CLUB

Join our Kanga Business Club and help bring colour to the lives of people with learning disabilities

The Kanga Business Club is a great way for businesses to donate on a monthly basis helping to spread their financial commitment across the year, generating sustainable income for Kangaroos and helping us to plan for the future. Business support is vital to the work we do and with your help we can really make a difference.

The benefits for members

We do things a little differently to other charities. We see our club members as collaborative partners, and so we warmly welcome the opportunity to shout from the rooftops about our incredible member businesses, and promote them in our marketing collateral. We also love it when our Kanga Business Club members get involved in volunteering with us!

There are three different levels in The Kanga Business Club, based on the amount you donate a month:

- Hop (£50 per month)
- Skip (£100 per month)
- Jump (£250 per month)

We ask members to commit to a minimum 12 month period, but of course if things change you can simply get in touch to pause for a period of time or cancel.

The benefits below are just some of the ways we can say thank you and celebrate your incredible support. If you have a specific requirement for promoting your support of Kangaroos, we will work with you wherever possible. Contact Samantha Norgate - sam@kangaroos.org.uk with any questions.
